### ***Excursion to Copenhagen on May 10, 2012***

On Thursday the 10th of May we will tour the collections at the *National Museum of Denmark* and the *Ny Carlsberg Glyptotek* in Copenhagen.

We will meet outside the main building of Lund Central Station at 08.45 and take Öresundståg no. 1035 which leaves Lund at 09.01 and arrives in Copenhagen at 09.48.

The train fare is paid for by the University, and there are no entrance fees at the museums.

We recommend that you pack lunch, since there will be no time to go into town to eat. There are also restaurants/cafés available at the museums.
