

1. Course Details		
1.	Course code	<i>HOS M01</i>
2.	Course title	<i>Historical Osteology, Master's (One Year) Thesis. Level 4.</i>
3.	Cycle (1st, 2nd or 3rd)	<i>2nd</i>
4.	Higher education credits	<i>15</i>
5.	Details of approval of course	<i>Syllabus approved by the Syllabus Committee of the Faculty of the Humanities and Theology 23rd May 2007.</i>
6.	Details of changes approved	

2. General Information		
1.	Field(s) (if applicable)	
2.	Subject (if applicable)	<i>Historical Osteology</i>
3.	Type of course and its place in the educational system	<i>The course is offered as a single course. It can normally be included as part of a general degree at the undergraduate or graduate levels. With the approval of the relevant authenticating body, it can also be included in certain professional degrees.</i>
4.	Language of instruction	<i>The course is normally taught in Swedish, but if both the students and the lecturer agree, it may be taught in English. Such an agreement depends on both the lecturer and the students having a good command of English.</i>

3. Learning Outcomes		
		On completion of the course the student shall
1.	Knowledge and understanding	<ul style="list-style-type: none"> • <i>have insights into and the ability to develop and discuss theoretical and methodological issues of osteological research</i>
2.	Skills and abilities	<ul style="list-style-type: none"> • <i>be able to carry out a theoretical or methodological study in osteology</i> • <i>be able to apply advanced methods of osteology and new scholarly literature</i>
3.	Critical judgement and evaluation	<ul style="list-style-type: none"> • <i>be able to evaluate various methods of osteology and assess information sources critically</i> • <i>be able to present osteological research findings.</i>

4. Course Content		
1.	Brief description of the course and its content including details of any sub-divisions	<i>The course sees students carrying out a theoretical or methodological study within the discipline of Osteology, and writing a degree thesis based on his/her study and/or current literature. The topic of this study is chosen in consultation with the examiner. The degree thesis should be a theoretical study within the discipline of Osteology. It can be in either animal or human Osteology.</i>

5. Teaching and Assessment		
1.	Teaching methods employed including details of any compulsory components	<i>Teaching consists of lectures, laboratory sessions, instruction in the carrying out and writing of analyses and regular tutoring.</i>
2.	Examination details	<i>Examination takes the form of a degree project which is discussed and defended at a seminar. Formal critique given on the degree project of another student is also assessed. The theoretical sub-course is either examined together with the degree project or separately through the submission of a separate assignment.</i>
3.	Restrictions regarding the number of examination occasions (if applicable)	

6. Grades		
1.	Grades	<i>Students are awarded one of the following grades: Fail, Pass or Pass with Distinction.</i>
2.	Grading of the complete course	
3.	Availability of supplementary ECTS grades	<i>Foreign students and Swedish students intending to use their qualifications abroad have the right to a supplementary ECTS grading. Students must request such a grading at the latest three weeks from the start of the course. This request is made to the director of studies or the equivalent authority.</i>
4.	Sub-courses and variations in grading (if applicable)	

7. Admission Requirements		
1.	Specific admission requirements	<i>To be eligible for the course requires the successful completion of HOS 404, or the equivalent i.e. three terms of full time study within the discipline of Osteology.</i>

8. Literature		
1.	Required reading	<i>For reading lists and other relevant educational materials see appendix (ces).</i>

9. Further Information		
1.	<i>The course replaces sub-course 1 in HOS 405.</i>	
2.	<i>The credits allocated for course content that in whole or in part is commensurate with another course can only be credited once for a degree. For further details see the current</i>	

	<i>registration information and other relevant documentation.</i>
